MINERAL SPIRITS

COLLECTION

Anisa International designs and creates unique beauty tools and solutions that transform the everyday use of premier cosmetics into a luxurious consumer experience.

Our **Mineral Spirits Collection** infuses the essence of six distinct crystals into six unique fiber offerings. The crystals are ground to 1500 mesh (very finely) in order for 2% of their properties to be infused into the fibers. The energy represented by these minerals is captured in the color of the fibers.
