SKIN CARE

COLLECTION

Anisa International designs and creates unique beauty tools and solutions that transform the everyday use of premier cosmetics into a luxurious consumer experience.

Caring for your skin by keeping it cleansed, moisturized and treated plays an essential role in a healthy skin care routine. Tools used to supplement this routine provide an upgrade to your entire skin care experience.

CLEANSE

- ▶ Designed to pair with foamy soap cleansers, milk and gel lotion cleansers.
- ▶ Ultra-slim bristles, with a convex circular surface, clean out pores and gently exfoliate the epidermis.
- ▶ The varying densities and shapes give multi-functional options for day and night cleansing routines.

MOISTURIZE

- ▶ Designed to pair with skin moisture protectors, daily defense creams and facial oils.
- ▶ Newly created Tri-Fiber tips sustain product viscosity and allow for even application and increased absorption.
- ▶ Contoured shapes are ideal for applying all types of mask products without getting into the hairline and also allows easy application onto the neck and "décolleté."

TREATMENT

- ▶ Designed to pair with treatment serums and creams, skin corrective products, and eye gels.
- ▶ The unique designs allow for controlled application without added irritation.
- ▶ Mixing silicone and fiber provides an added benefit of dual function application for wet and fast drying skin care products.
